

You are invited to the first
Cambridge R User Group
Meeting

on

Tuesday, Jan 24th

18.00 to 19.30 hrs

held at

Cambridge Systems
Biology Centre

Cafeteria, level 3

This event is a
Social R Pot Luck Dinner!

We are grateful for your contribution of one of the following:

Starter -

A Figure that you have created in R
with which you can introduce your work

Main Course –

Some lines of code* which you want to share with the community

Desert -

Useful resources you have come across,
such as a new book, webpage or R package

This will be followed by digestifs of lively discussions about the future of the CambR User group schedule and remit

We hope to see you there!

*Please no spaghetti code

Please contact
Laurent Gatto (laurent.gatto@gmail.com) or
Sven Sewitz (svenas1@gmail.com)
if you need after hours access to the building
